WEEK'S SALE HEAVY TIPPED TO HEAD AT PARIS WAREHOUSE BIG COMMITTEES

Nearly a Million Pounds Sold
in Three Days on the
Local Market.

AVERAGE IS \$12.67.

Sale Saturday Goes Over the
Three Hundred Thousand
Pound Mark.

With good prices still prevailing,
the third sale of the week was held
Saturday at the Bourbon Tobacco
Warehouse. The week was the best
in the history of the house in the
quantity of tobacco sold and the prices
obtained.

The streets leading to the warehouse
almost any time during the
week were lined with wagons waiting
to be unloaded, and the capacity of
the house was taxed to the utmost.
The sale Saturday was the largest by
far of any single day during the present
season or last, and 809,615 pounds
were sold for \$10,286.12, an average
of \$12.67.

Some good tobacco was sold during
the week, but as a rule the offerings
have been of a very inferior quality.
Prices have ranged all the way from
\$1.50 to \$1 per hundred pounds.

The offering Saturday contained a
large amount of the inferior grade,
but prices for the quality were considered
rather high. A good amount
of the colory tobacco was also offered
but market for this grade was
a little off. However, there was
nothing to indicate the least dissatisfaction
on the part of the growers
who were highly pleased with the
prices obtained for their product and
rejections on the entire amount sold
were very few.

The highest average of the day was
made on a crop of 4,160 pounds,
which was consigned by Woodford &
Boughner, which brought \$17.01 per
hundred.

The three sales of the past week
aggregated 850,835 pounds, which
sold for \$10,733.41. Tuesday 246,
425 pounds were sold for \$3,083.28,
an average of \$12.53; Thursday, 294,
815 pounds, \$3,704.01, average \$12.45;
Saturday, 809,615 pounds, \$10,286.12,
average \$12.67. The average for the
entire week was \$12.67. Following
are a few of the crop averages of the
sale Saturday:

Hancock & Boyle sold 13,395 pounds
for \$2,191.78, an average of \$16.30.
Bryan & Meyers, 6,755 pounds for
\$802.48, an average of \$13.76.

Hutchcraft & Linville, 4,070 pounds
for \$574.60, average \$14.11.
Talbot & Rash, 6,280 pounds for
\$960.02, average \$15.29.

Mackey & Wagoner sold 11,450
pounds for \$1,725.86, an average of
\$15.55.

Ardery & Offutt sold 6,445 pounds
for \$986.89, an average of \$15.31.
Rash & Fletcher, 7,560 pounds for
\$1,057.42, an average of \$14.

Brice and Wallace Steele, 2,640
pounds for \$424.04, an average of \$16.
67.

Kenney & Kenton, 16,025 pounds for
\$2,478.50, an average of \$15.46.
Rash & Wallace, 6,155 pounds for
\$838.67, an average of \$13.62.

Plummer & McClure, 2,070 pounds,
for \$297, an average of \$14.47.
Andrew Reffett, 6,905 pounds for
\$966, an average of \$14.

Ferguson & Neal, 10,965 pounds for
\$1,426.57, an average of \$13.10.
Grant Galloway, 4,410 pounds for
\$610.84, an average of \$14.

Woodford & Boughner, 4,160 pounds
for \$707.84, an average of \$17.01.
Receipts for the sale to-morrow are
heavy and it is expected another big
sale will be held.

CARLISLE.

The Carlisle loose leaf tobacco
market was the strongest of the season
last week. Sales amounted to
1,100,000 pounds at averages running
from \$12.84 to \$13.20 per hundred
pounds. The highest price of the
week was \$28 per hundred.

SHELBYVILLE

Sales on the Shelbyville market
for the past week aggregated 1,116,
955 pounds, making the total for the
season 3,842,381 pounds. Prices
ranged from \$2 for green and frozen
to \$22 for bright leaf, the average for
the week being \$11.95 the hundred.
Prices for the week have been remarkably
uniform, the only variations
worthy of notice being a slight advance
on the better grades and a corresponding
weakness in the demand for inferior types.

STEEL MILLS FORCED TO RUN ON FULL TIME AGAIN

At Pittsburg, Pa., a number of independent
steel mills began operations
yesterday, due, it is said, to the
appearance in the past few days
of specifications calling for approximately
100,000 tons of finished steel
for immediate delivery. Operating
officials expressed the opinion that
the depression which for four months
has affected the industry was passing.
The orders affect some 4,000 men,
who have been idle or working one-
fourth time.

Hamilton and Moody Will Be
Chairmen of Revenue and
Taxation Committees.

FRANKFORT, Ky., Jan. 12.—Although
Lieutenant Governor McDermott
and Speaker Terrell have been
hard at work on the committees of
the House and Senate, they have not
yet completed their task, and they
will not be announced until tonight.
A number of tips are going the
rounds, however, regarding the chair-
manships of the more important com-
mittees.

In the House it is said that Shelton
Saulsby, of Stanford, will be chairman
of the Committee on Appropriations,
while Elwood Hamilton, of Frankfort,
will head the Committee on Revenue
and Taxation, which is expected to
have the brunt of the work at the
present session. J. R. Mount, of Lancaster,
is slated for the chairmanship
of the Railroad Committee, and William
Perry, of Louisville, will have a
place on the Committee on Revenue
and Taxation.

Senator W. B. Moody, of New
Castle, will head the Senate Committee
on Revenue and Taxation, it is
claimed, while W. A. Frost, of Graves,
will be chairman of the Railroad Com-
mittee, and H. G. Overstreet, of Daviess,
will preside over the deliberations
of the Senate Appropriations
Committee.

The Rules Committee of the House,
according to unofficial but accurate
information, will probably be made
up of the following men:

Claude B. Terrell, Elwood Hamilton,
Stanley F. Reed, Dr. J. N. McCormack,
John F. White, Guthrie Coke,
Jr., John C. Duffy, John E. Newman,
Glover H. Cary, William Duffy and
T. T. Moberly.

The House of Representatives was
called to order by Speaker Terrell at
12 o'clock, and after a few minor
motions adjourned to meet at 7 o'clock
tonight, when the House committees
will be given out.

HAND OF PROVIDENCE SAVES CARPENTER'S LIFE.

Walking into an elevator shaft on
the third floor of the building of
Dangherty Bros., at the corner of
Main and Fifth streets, almost cost
the life of James Pendleton, a carpenter
in the employ of the Bourbon
Co., a few days ago.

Pendleton, with several other work-
men, were engaged in furnishing the
third floor of the building, which re-
cently underwent extensive improve-
ments. He walked across the room
and was seen by his companions to
plunge headlong down the elevator
shaft.

Themen in the room were almost
panic stricken, and hesitated to
venture toward the shaft, expecting to
see Pendleton crushed in the base-
ment about forty feet below.

In his decent Pendleton succeeded
in getting hold of a beam which was
projecting from the side of the un-
finished shaft, and clinging to it with
both hands, called for assistance.
His companions rushed to his aid and
soon had him safely on the floor
above.

Pendleton fell about six feet when
he came in contact with the beam, to
which he held, until relieved from his
perilous position. Aside from a few
bruises and the straining of the
muscles of his arms he was unin-
jured.

PARIS MASONIC LODGE HAS PUBLIC INSTALLATION

Paris Lodge No. 2, F. & A. M., pub-
licly installed the recently-elected
officers of the lodge at the Christian
Church, Thursday evening. Past
Grand Master S. K. Veach, of Carlisle
conducted the ceremonies, which
were very impressive.

Appropriate music was rendered
by Mrs. Frank Fithian, Miss Flora
Hill, Dr. Frank Fithian, Chas. B.
Mitchell, A. L. Bonbright and A. H.
Morehead, with Misses O'Neil and
Crutcher at the organ.

About one hundred and twenty-five
Masons attended the ceremonies,
most of them being members of the
local lodge four visitors being present
from Millersburg and one from Lexington.

The address for the occasion was
delivered by Rev. J. T. Sharrard, and
was a brief account of the origin and
history of the order, and a plea for
the growth and continuance of the
organization, which dates back to the
time of Solomon, and is founded upon
the Bible. The address was listened
to with profound attention, and was
greatly enjoyed.

Judge C. A. McMillan acted as
marshal on this occasion and Harry
Collins and Mitchell Jackson were
ushers. A large crowd witnessed the
installation ceremonies, which were
entirely new to the public.

\$30,000 FIRE VISITS THE CITY OF HARRODSBURG

The city of Harrodsburg was vis-
ited by one of the most disastrous
fires in its history, yesterday. The
fire started at 10:30 o'clock in the
third story of the Jones building,
located in the center of the city.
Three other buildings were burned.
The origin of the fire is unknown.
The loss is estimated to be in the
neighborhood of \$30,000, mostly cov-
ered by insurance.

MEXICO CITY NEXT ASSERTS GEN. VILLA

Federal Force in North Has
Been Crushed and Cam-
paign in South to Begin.

ON TO CHIHUAHUA.

Rebel Leader will Head Force
of 10,000 Men—Mexico
City Now Goal.

PRESIDIO, TEX., Jan. 12.—Believ-
ing the retreat of the Federal army
from Ojinaga, Mexico, had completely
crushed the Huerta government in
the North of Mexico, Gen. Francisco
Villa to-day said he would begin to-
morrow to move his army to Chihua-
hua preparatory to his campaign
southward.

Since nearly all the Generals who
were in Ojinaga have fled to the
United States, General Villa said he
would leave only a few soldiers on
the border near here.

At Chihuahua, he expects to have
a force of 10,000 men from which to
draw in attacks on Zacatecas, Aguas,
Calientes and Guadalajara.

"Mexico City has always been my
destination," said Villa.

The little village of Ojinaga is a
wreck from its recent bombardment,
but Gen. Villa has ordered it put in
condition. According to Gen. Ortega,
no military executions have occurred.

Major McNamee, commanding the
United States troops, has received
orders from Brigadier General Bliss
at San Antonio, to remove to the
nearest railroad station all the Fed-
eral soldiers and civilians now being
held in Presidio. This is Marfa, Tex.,
87 miles over a mountain road.

Federal Generals are in custody of
the United States troops awaiting
their disposition by the War Depart-
ment.

Gens. Salazar and Orozco are be-
ing watched for in the United States
on indictments charging them with
violating the neutrality laws.

Charges of cowardice were made
against Orozco, Salazar and Rojas.
General Mercado said these Generals
abandoned their troops at the begin-
ning of the battle and thus weakened
the Federal defense.

The only Generals who quit the bat-
tles with honor General Mercado
said, were those who accompanied the
Federal army across the Rio Grande.
At the retreat the Federals had an
average of only seventy-eight car-
tridges.

TWO GENERALS SURRENDER

PRESIDIO, TEXAS, Jan. 11.—The
Mexican Federal Army with its nine
Generals evacuated Ojinaga at 10
o'clock last night.

The triumphant forces under Gen.
Villa immediately occupied the vil-
lage.

General Salvador Mercado, who was
Huerta's chief military commander,
crossed the river and surrendered to
Major McNamee, of the United States
Army.

General Francisco Castro crossed
the river and placed himself under
the protection of United States troops.
He was followed by several subordi-
nate Generals.

ATTACK ON OJINAGA

PRESIDIO, TEXAS, Jan. 10.—The
attack of the Mexican Rebel forces on
Ojinaga was resumed late to-day.

Led by General Francisco Villa,
just before sundown the Rebel Army
drove back the Federal outposts, cap-
tured fifty men and opened a heavy
rifle fire on the Federal trenches,
backed by sharpshooters from the Rebel
field guns.

General Villa, advancing from the
South, had with him only 1,000 men,
while Generals Herrera and Hernan-
dez led 1,200 from the West from the
base of the village of San June. The
main body of Rebels, comprising
about 4,800 men, advanced along the
river road from the East.

Steadily creeping toward the Fed-
eral fortifications, the Rebels, shrouded
in great clouds of dust, occupied
positions within four miles of the vil-
lage before they met resistance.

The Federal outpost then opened
fire, their rifle volleys being support-
ed by the fire of a few machine guns.
The rattling return fire of the Rebels
soon silenced the guns of the out-
posts.

The scattered Federals were
thrown into disorder and attempted
to retreat, but fifty were captured
and seven others threw away their
rifles and jumped into the river,
swimming to the American side.

The rout of the Federal outposts
had an immediate effect on the Fed-
eral garrison. Many other outposts
were withdrawn, the cattle were
driven into the village, and women
and children were dispatched across
the river to American territory.

ciation is a member of the Kentucky
Branch of the American Poultry As-
sociation, and is authorized to offer
the gold and silver medals of the as-
sociation. But one set of these med-
als can be awarded to any branch
during the year.

Editor Steve Vaught, of the Winchester Democrat, throws the following bouquet at Mayor Hinton, of this city: "Mayor John T. KENTUCKY MISSIONARIES LEAVE FOR TIBET

The Rev. James C. Ogden, Mrs. Ogden and children, of Nicholas county, left last week for Batang, Tibet, where they will be missionaries of the Christian church. They will sail from San Francisco January 22. Before they reach their destination they will travel a distance of 15,000 miles from San Francisco by steamship, river steamer, houseboat, sedan chairs, riding donkeys and walking. They will be five months in reaching their destination.

THEFT OF RADIUM

Search by the police and the hospital authorities of Chicago has so far failed to disclose any clew to thirty-five milligrams of radium, believed to have been lost or stolen several days ago while being used in the treatment of a cancer patient in a Chicago hospital.

Unless the person having the precious particle of radium—it is half the size of a pin head and is worth \$4,500—in his possession knows how to protect himself from its influence, it may kill him, according to the hospital physician. If, instead of being stolen, it has been mislaid, it will declare its presence by its influence on whatever substances are around it.

LOUISVILLE COMMERCIAL CLUB STARTS MOVEMENT

The Louisville Commercial Club has started a movement for a constitutional convention, and will ask the present Legislature to take the necessary steps toward providing such a convention.

The action of two successive General Assemblies is necessary for an election of members to a constitutional convention, and the convention can not be held earlier than 1919.

In order to be prepared to meet public demand for a revision should such demand become insistent, the Louisville Commercial Club believes preliminary action at this time is desirable and wise. The interest of other Commercial Clubs in the State will be sought.

KENTUCKY FARMERS URGED TO INCREASE POULTRY CROP

The meetings of the Kentucky State Poultry Association and of the State Beekeepers' Association were the principal features of Farmers' week in Lexington, last week. Director J. H. Kastle, of the Kentucky Agricultural Experiment Station, in an address of welcome to the poultrymen, told of the steps which had been taken at the experiment station to establish a poultry department under an appropriation made by the last Legislature. He said that in conformity with these plans the station hoped "to maintain upon the Station Farm an inexpensive, up-to-date poultry plant that will serve as a model to those interested in the raising of fowls." In his address he urged the poultrymen of Kentucky to increase the production of fowls in the State.

There is more Catarrh in this section of the country than all the other diseases put together, and until the last few years was supposed to be incurable. For a great many years the doctors pronounced it a local disease and prescribed local remedies, and by constant falling to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer One Hundred Dollars for any case it fails to cure. Send for circulars and testimonials.

FOREST NOTES.

A rancher has applied for the rental of 320 acres on the Pike National Forest, Colorado, to be used in connection with other private land, for raising elk as a commercial venture.

The government has just sold 43,000 cords of cedar wood for shingles from the Washington National Forest. The shingles manufactured from this wood, laid six inches to the weather would cover 2½ square miles of roof.

The Navy Department has asked the forest service to investigate guijo, a Philippine wood, for the possible use in decking boats and ships. Longleaf pine, sugar maple and beech are the domestic woods most used for decks.

The State University lands in Arizona are to be lumbered under a co-operative agreement between the government and the State Land Commission. Arizona is the first State in the Southwest and one of the few in the country to cut its timber lands on forestry principles.

The annual meeting of the American Forestry Association will be held in Washington on January 14. A President, twenty-one Vice Presidents, a Treasurer, an Auditor and five Directors are to be elected and plans made for an active campaign for forest conservation during 1914. The association has 8,000 members.

There seems to be a ray of hope for the Maryland suffragette who deserted a "hiking" party bound for Annapolis when she remembered that she left home without paying the cook.

THEATRICAL.

The Alamo Today

The second production in the Famous Players Film Company's series of metropolitan series which was released October 20, is entitled "An Hour Before Dawn," a sequel to "Chelsea 7750," with Laura Sawyer and House Peters in the principal roles. House Peters takes the part of the paralyzed detective, which Henry E. Dixey portrayed in "Chelsea 7750," and Laura Sawyer continues in the role of the girl detective.

"An Hour Before Dawn" is a startling modern female detective story, introducing the greatest scientific marvel of the age, the recent discovery by Signor Olivio, an Italian engineer, of a terrific explosive power, which has startled the scientific world, and which Miss Kirby proves caused the death of the scientist for whose murder his son and a chorus girl with whom he is in love are suspected. Before this fact is established, however, the story proceeds along a path of mystery and suspense, in which all the modern arts of detection and some strikingly original methods of criminal procedure are introduced. Not only is there never a dull moment in the rapidly moving action, but it is difficult to calculate or enumerate the frequent surprises, thrills, and sensations of climaxes.

BACON SELLS JAY

BILLIKIN FOR \$1,500.

The Morning Advertiser, of Washington C. H., Ohio, of a recent date contained the following:

"One of the biggest deals pulled off in local horse circles for a long time was consummated yesterday afternoon, when Warren A. Bacon, one of the most prominent horsemen in America, sold to Beaver Bros., of Hillsboro, Ohio, the handsome chestnut two-year-old trotting colt, Jay Billikin (2) 2:29 1/4, for a consideration of \$1,500.

"Mr. Bacon has received several offers for the colt since he decided to retire from the breeding industry, announcing at the time that all of the horses in his possession would be dispersed at public auction. He received an offer last week which was only a few dollars short of the amount asked, but as both seller and buyer remained firm, no sale resulted.

"Mr. J. G. Beaver, the senior of the brothers, came to the city yesterday accompanied by Thomas Buntin, a trainer and driver of horses from Hillsboro, and they immediately proceeded to the local sales pavilion, where the Bacon horses are at present quartered. Both the purchaser and trainer were greatly impressed with the young trotter and after negotiating until the afternoon, they finally came to the conclusion that the youngster was well worth the price asked and a check calling for

the amount was given to Mr. Bacon. "Jay Billikin is remembered by local people who attended the matinees at the fair grounds last summer as the beautiful trotter driven by Norman Liver in the juvenile events. He was a winner in the matinees and in a special race with Ambel, owned and driven by Charles Allen, defeated his elder competitor, and secured his present record of 2:29 1/4 in the second heat.

Jay Billikin is regarded by horsemen as one of the most promising trotters owned in Fayette county since the days of the internationally famous Glenwood M. He represents about everything necessary to qualification to be a true type of the American trotter. He has superb breeding, good size, rare intelligence, and is gaited to perfection, when at speed placing each foot in its proper place, making no mistakes.

"His sire is Peter Billikin 2:10 1/4, winner of over \$6,000 in 1913 and recognized as one of the best representative types of the trotting horse. His dam is Sister Jay, a daughter of the renowned Jay Bird, one of the famous sires of his day, and really the horse who made Bacon's name famous in horsemanship. The new owners of Jay Billikin are to be congratulated in their selection of such a classy young trotter and there is not the least reason in the world why they should not make a big financial gain on their investment. "Bacon not being content with sell-

ing Jay Billikin for a long price, also made a price of \$500 on the yearling colt DeBillikin, a son of Peter Billikin; dam, Robinette Locanda, 2:02, and to his surprise was accepted. The purchaser being a wealthy Cincinnati merchant, by the name of Addison Cole.

"Mr. Cole is the owner of the two-year-old pacer Robert Cole, by Locanda, that won a good race at the Blanche fair and secured a record of 2:29 1/4. He was trained at the local track during the past summer by Norman Liver who worked him a mile in close to 2:20."

Unless enjoined Pearce Paton is going to sing at the Eagles' Big Minstrel Show. Efforts have been made by humanitarians to induce him to recall his awful threat, but he declares that as an American citizen he has the right to be heard.

24 GIRLS HAVE CLOSE CALL AT REFORM SCHOOL

The lives of twenty-four girl inmates of the Reform School near Lexington, were menaced yesterday, when the \$40,000 dormitory caught fire. A lighted coal oil stove had been dropped on the stairway, at the second floor landing. The coal oil caught fire, shutting off the only exit from one of the sleeping apartments, where more than a score of girls were quartered. By rare presence of mind one of the women supervisors secured a number of blankets and smothered out the blaze.

The funeral took place Monday afternoon at two o'clock, from the residence of Dr. Dailey, the services being conducted by Prof. C. C. Fisher, of Millersburg, assisted by Rev. J. S. Sims, pastor of the Paris Methodist Church.

Mrs. Dailey and her husband were staunch Methodists, and their mountain home which was remote from any town or church building, has been the meeting place for the Methodists of that section for the past fifty years, the largest room in the house having been the scene of many a religious gathering.

Mr. and Mrs. Dailey represented in

a marked degree the highest and best attributes of the people of the Kentucky highlands, and they reared a large family of sons and daughters who are now representative citizens in the place where they make their homes.

This is one of the most desirable farms in the county, the land being mostly under cultivation, with a beautiful woodland in the rear of the house. The improvements consist of a large substantial brick residence, all the necessary outbuildings and a splendid tobacco barn. BLAZING GAS MENACES MANY TOBACCO WAGONS

Workmen engaged in an effort to locate a leak in a gas main on South Main street yesterday morning at 11:30 o'clock drove a drill through one of the pipes in front of the residence of Mr. J. H. Clark. A flame was communicated and a large blaze resulted, menacing a large number of wagons of tobacco waiting to be unloaded at the Bourbon Tobacco Warehouse Company's warehouse. A telephone pole was also set on fire. The fire department was called to the scene, but by the time they arrived the wagons had been removed to a place of safety, but the large telephone pole was burning fiercely. The gas was cut off and work was commenced at once repairing the damage.

The fire department was called out Sunday morning in response to an alarm sent in from the L. & N. depot. A better room in the south yards had caught fire but the blaze was extinguished with small loss.

CATLETTSBURG TEAM TAKES PARIS GIRLS INTO CAMP.

The girls basket ball team of the Paris High School was defeated Saturday night at the High School Gym by the girls of the Catlettsburg school, the score being 16 to 14. The company will be in its new quarters about the first of March.

BURGLARS BREAK INTO EIGHTH STREET GROCERY.

The grocery store of Joe Fudold, an Assyrian, at the corner of Eighth and Sycamore streets, was entered by burglars sometime Saturday night or Sunday morning, and a large quantity of goods taken, besides about \$50 in cash. An entrance was gained by forcing a window at the side of the building. The burglars left no clue that would lead to their apprehension.

Yesterday shortly after noon, Chief of Police Link placed under arrest John Williams. Williams was taken into custody in Connelly's alley, and when placed under arrest admitted having taken the goods, a large quantity of which was found under the house and returned to Fudold, who identified it as being that which was taken from his store.

Williams implicated another negro, who he said accompanied him to the place and assisted in the robbery. A few hours later Patrolman Collins placed Louis Hawkins a negro boy under arrest, charged with being the accomplice. He was arrested in a house on East High street and before he was placed in jail told the police he was implicated in the burglary. Johnson, alias "Jack the Peeper," is well-known in police circles, having previously been arrested on similar charges. None of the money taken by the negroes has been recovered.

PARIS POLICE ASKED TO BE ON LOOKOUT FOR NEGRO.

The police of this city Saturday night received a telephone message from Lexington to be on lookout for a negro by the name of Frank Jones. The negro lives in this city. It was alleged by Charley Caldwell, also colored, that Jones stabbed him four times, one of which, a deep cut in the hip was serious. Caldwell was taken to a Lexington hospital. After the cutting Jones made his escape. Upon being notified, the Paris police kept a strict watch for the negro, all incoming interurban cars being searched for the alleged fugitive.

GENERAL BUCKNER ANSWERS LAST CALL

Veteran of Two Wars Pass-
ed Away at Home in
Hart County

BREAK COMES SUDDEN

Death Results After a Few
Days' Illness—Buried
at State Capital

Gen. Simon Bolivar Buckner, first
citizen of Kentucky, is dead.
He was a veteran of the Mexican
and Civil Wars, and the highest
ranking officer of the survivors of the
Civil War of either army. He was
born April 1, 1823, at Glen Lily, Hart
county, Ky., where he died at nine
o'clock Thursday night.

The house in which Gen. Buckner
was born was built by his father in
1804.

Gen. Buckner died at his home,
Glen Lily, in Hart county, a few miles
out from Munfordville. He appeared
to break all at once and died of the
weight of his ninety years after a
critical illness of only a few days.

With him when he died were his
wife, his son, Lieut. Simon Bolivar
Buckner, Jr., and his wife's sister,
Miss Louise Claibourne. He had
not been away from home for some
time, but had remained active and
cheerful, and was up and about the
house until the first part of the week.

His son, Lieut. Buckner, who is
stationed at the United States Army
post at Fort Thomas, Ky., had been
at home for Christmas, and returned
to his post when his father's rapid
failure summoned him home again.

The veteran retained conscious-
ness until within a few hours of his
death. The attending physician, Dr.
J. A. Adams, of Munfordville, attrib-
utes death to a general breaking
down, complicated with no acute con-
dition other than those produced by
the weaknesses of age.

Gen. Buckner died in the same house
in which he was born on April 1, 1823,
an unpretentious log structure in
which he lived the greater part of his
life with the utmost simplicity.

The large farm in late years had
been managed by Mrs. Buckner, who
was Miss Della Claibourne, of Rich-
mond, Va., and whom he married in
1836. In previous years, however,
when Gen. Buckner conducted the
place, he worked day by day in the
fields with his hands.

His body was buried in the State
Cemetery at Frankfort, Saturday,
where rest numbers of other Govern-
ors of Kentucky. A special Louis-
ville and Nashville train bore the
body from Munfordville to the cap-
ital on Saturday. Confederate veter-
ans' organizations had charge of the
funeral.

Gen. Buckner was the last of the
Lieutenant-Generals of the Confed-
erate army. He was the son of Aye-
lette H. Buckner and Elizabeth Ann
Morhead Buckner. His father was
among the Kentucky volunteers who,
under Gen. William Henry Harrison,
fought the battle of the Thames.

After attending the best schools of
the day he received an appointment
to West Point from Congressman
William Triplett in June, 1840; was
graduated from that institution four
years later, and entered the army as
a brevet Second Lieutenant in the
Sixth United States Infantry.

Two years later he was with the
army in Mexico, participating in the
siege of Vera Cruz and the battles of
Cerro Gordo, San Antonio, Churubusco,
Molina Del Rey, Chapultepec,
Carita del Bola and in the capture of
the City of Mexico. He was wounded
at Churubusco and breveted First
Lieutenant for gallantry in that bat-
tle, and subsequently received the
brevet rank of Captain.

Retiring from the army in 1860, he
returned to Kentucky, and at the be-
ginning of the war between the States
was Inspector-General of the Ken-
tucky State Guard. President Lin-
coln tendered him an appointment as
Brigadier-General, which he declined.
In September, 1861, he entered the
Confederate army, receiving at
once a commission as Brigadier-Gen-
eral. He was third in command at
Fort Donaldson, and when Generals
Floyd and Pillow abandoned their
commands to avoid capture, General
Buckner refused to desert his com-
rades. On the last day's battle of
that memorable conflict, an effort was
made to force the Union army back
to allow the Confederates to escape.

General Buckner, with his brigade
fought valiantly throughout the day
and at nightfall had succeeded in
driving the enemy back a sufficient
distance to allow Floyd and Pillow to
advance their troops across the open
field to escape. Then came an order
from the officer in command to re-
treat to the fortifications. This was
done, and that night a conference
was held in which it was decided that
Floyd and Pillow should make their
escape, but General Buckner declined
to desert his army, preferring to
share the fate of the men under him.
His forces shattered, he, the third
commanding officer, facing an army
three times the number of his com-
mand, and seeing further resistance
useless, he then surrendered to Gen-
eral Grant.

Returning to the army after eight
months' solitary confinement in Fort
Warren, he was at once promoted to
Major-General. After continuous ac-
tive service during the ensuing years
of the war, he reached the grade of
a Lieutenant-General. Today no other
Confederate of so high a rank is liv-
ing.

Years after the war had ended Gen-
eral Buckner was elected Governor of
Kentucky, and for four years was a
veritable sentinel on the watch tower

of the interests of the whole people.
Sharing a better fate than that of
most Governors, he retired from of-
fice without a word of criticism and
had entered it.

In 1894 General Buckner was the
nominee of the South Money Demo-
crats for Vice-President on the ticket
with General John M. Palmer. Of
the years General Buckner has lived
in retirement on his ancestral es-
tate, but had never lost interest in
affairs of the State and the Na-
tion.

CORROBORATION

Of Interest to Paris Readers.

For months Paris citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills by Paris residents. Would these prominent people recommend a remedy that had not proven reliable? Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement? The following statement should carry conviction to the mind of every Paris citizen:

Mrs. Ida Huffman, 115 Main street, Paris, Ky., says: "We think Doan's Kidney Pills are just fine. We will confirm the endorsement we gave them some years ago. I suffered from pains across the small of my back. Seeing Doan's Kidney Pills advertised I got a supply at Wilson's (now Chas. E. Butler & Co) drug store, and gave them a trial. I was very much pleased with the result."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
